

Terms and Conditions

Use of Information from The Royal Society of Chemistry (“RSC”)

Users Provided with Free Access

The RSC is providing you with a free subscription/free access to one or more of its journals or databases on www.rsc.org. The following Terms and Conditions apply to your use of this information.

Definitions

Commercial Use: means use which is for direct economic or commercial advantage, whether by or for the user, by means of the sale, resale, loan, transfer, hire or other form of exploitation of RSC information. For the avoidance of doubt, use of RSC information by the user in the course of research funded by a commercial organisation is not deemed to constitute Commercial Use.

Secure Authentication: means access to RSC information by Internet Protocol (“IP”) ranges or by another means of authentication agreed between the RSC and the user;

Prohibited Uses

Users of RSC information shall not use any automated program including without limitation webcrawlers to access RSC information. Such activities may have a detrimental effect on RSC information or access thereto, and they are strictly forbidden.

Permitted Uses

Users may access information provided by The Royal Society of Chemistry (“RSC information”) via Secure Authentication.

Users of RSC information are permitted to:

1. search, retrieve, display, and view RSC information;
2. copy (including printing and downloading) RSC information and retain it as long as you wish for your own personal use;
3. use RSC information for the purposes of research or private study only, and not for Commercial Use. For the avoidance of doubt, you may use RSC information to write an item for inclusion in one of the RSC's journals;
4. store RSC information electronically, provided the use is consistent with the other terms and conditions described here; and
5. include RSC information (for example, a figure, diagram or chart) in a presentation or in a published work provided permission has been sought and obtained from the RSC in advance, except as permitted in accordance with fair use/fair dealing principles. A permission request form (www.rsc.org/permissions) for this purpose is available from the RSC's website(s). The material must carry the relevant credit, as specified below.

Acknowledgement of the form (where the copyright owner(s) to be used in the statement are specified at www.rsc.org/journalscopyright):

- (i) "(original citation) – Reproduced by permission of The Royal Society of Chemistry"; or
- (ii) "(original citation) – Reproduced by permission of the PCCP Owner Societies"; or
- (iii) "(original citation) – Reproduced by permission of The Royal Society of Chemistry on behalf of the copyright owner";

must appear on RSC material in a position and typeface as to be clearly visible.

If you wish to gain permission from the RSC to carry out any other activity not explicitly mentioned above, you must obtain prior written, or email (contracts-copyright@rsc.org), permission from the RSC.

Copyright

RSC information is copyright and is subject to all applicable copyright, database protection, and other rights of the copyright owner and publisher. Copyright notices may not be removed, obscured, or modified in any way. The user must take all reasonable precautions to prevent theft or inadvertent illicit use of the intellectual property in RSC information. The relevant copyright notice must be displayed on all copies made from RSC Information.

Availability

The RSC shall use all reasonable endeavours to make RSC information available on a continuous basis, but if your access is suspended or interrupted or a fault or defect occurs which prevents access to RSC information, the RSC's liability shall be limited to restoring access as soon as is reasonably practicable. Otherwise the RSC shall have no other liability to the user. The RSC reserves the right to alter the availability of RSC information.

Other Terms and Conditions

All web site Terms and Conditions apply.
