

## Institut d'Alembert Special Symposium 'Of Molecules and Synapses'

Grand Amphithéâtre de l'Ecole Normale Supérieure Paris-Saclay  
28 avril 2022 – 9:30 am-12:45 pm

**Dr Reinhard Jahn, PhD**

Max-Planck-Institute Göttingen, Germany

*Membrane fusion mediated by SNARE-proteins – an update*

**Dr Thomas Südhof, MD**

Stanford University, USA

*Towards a molecular logic of synaptic connections in neural circuits*

**Dr Isis N O Souza, PhD**

Federal University of Rio Janeiro, Brazil

*Is Zika still a thing?*

*Long-term neurological consequences and therapeutic targets*
